

Verbatim

Hello, hello welcome to my portfolio my name is Ian. Uh, watching this video says itself uh, tell me that you're looking for some-- someone uh, freelancer or rather I can say, yeah, someone who can do you a perfect job, offer you a quality services. Yeah. Uh, well, no second thoughts on that uh, you have come to the right place. Uh-mm. Uh, I offer quality transcription or rather legal or general transcription and that's what I majorly do. I also do copywriting jobs. Uh, that is uh, whether academic writing, technical writing, yeah, that's what I can offer also. And uh, I usually make sure that um, my job is of diligent work, and uh, I wanna make sure that my clients get something that is uh, authentic. Yeah, speaking of authentic work, yeah, I wanna offer my clients something that satisfies them, like uh, according to their guidelines, according to their instructions, that's what I do. And that's something that I've learned with time working as a transcriptionist, and working as also as a freelancer. Uh, I can also say uh, some other clients or maybe other clients uh, they also want a presentation or sample of work that I've uh, that you know, a freelancer has done. And um, I usually do-- I-- I did legal transcription uh, that is uh, at TFE and uh, I worked for legal files, legal transcripts, but uh, unfortunately, I can't share those uh, legal transcripts because uh, I signed an agreement and it wasn't supposed to be shared so. But uh, what I can do is that uh, I can offer you a transcript sample of this video that I've made, and you can find it down below this box. And uh, yeah, that's my transcript sample. Um, I appreciate you watching this video. You can navigate to my portfolio uh, where you can check my CV right there and you can see my skills and what I offer actually, and where I've worked, yeah. Thank you, thank you.
